## Event Report **Book Donation Drive**

As part of the celebration of the **Year of the Book, 2025** announced by the Hon'ble Chief Minister of Assam, the Hridayananda Choudhury (HC) Library of Baosi Banikanta Kakati College successfully organized a **Book Donation Drive** from 3rd December to 6th December 2025. The primary objective of the drive was to encourage a culture of reading, enrich the library collection, and promote community participation in strengthening institutional knowledge resources. The initiative also aimed to align the library's activities with the state-level vision of fostering book awareness and literacy.

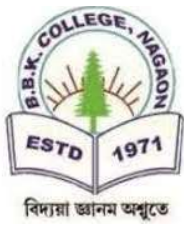

During the drive, the HC Library received generous book donations from the following respected faculty members of BBK College:

- **Dr. Pradip Das**, Principal, BBK College
- **Dr. Gopal Kumar Sarma**, Associate Professor, Department of Economics and IQAC Co-ordinator, BBK College
- **Dr. Hiramani Haloi**, Assistant Professor, Department of Assamese, BBK College

The donated books cover a range of academic and general interest subjects, which will significantly support teaching, learning, and research activities of students and faculty members. All received books will be duly processed, catalogued, and made available for circulation through the library. The Book Donation Drive witnessed positive response and cooperation from the college community, reflecting a shared commitment towards knowledge sharing and academic growth. The HC Library expresses its sincere gratitude to all the donors for their valuable contributions and support in making the event a success. The event concluded with a renewed commitment from the library to organize more reader-centric and knowledge-driven activities in the future, in line with the objectives of the Year of the Book, 2025.
