### **Best Practice 1**

#### **Title of the Practice: Towards Knowledge Collaboration**

#### **Objectives of the Practice**

The objective of knowledge collaboration is to create an environment where students and faculty work together to enhance the quality of education, foster innovation, and prepare students for success in a rapidly changing world.

#### **The Context**

The college tries to implement the concept of collaborative knowledge to empower both teachers and students of the institution by exposing to different activities within institution and outside the institution for creating a holistic environment for better higher education.

#### **The Practice**

The present practice delves to expose both teachers and students with different forms of knowledge, limiting not only to academics but also to other facets of knowledge, which require for competing with dynamic world and for creation of knowledgeable society. The practice is just a beginning step, which can go beyond the sphere of the institution.

#### **Evidence of Success**

Several programs, including lectures, webinars, motivational speeches, and community engagement activities, were organized. Notably, an international talk featured guest speakers from the University of Novi Sad, Serbia, providing valuable insights into the educational and cultural aspects of Serbia for both students and teachers. Additionally, the resource persons had the opportunity to explore the local socio-economy by visiting places such as the river island, bell metal industry, and the local weaving center. Furthermore, teachers from other institutions were invited to the college, fostering knowledge exchange as teachers and students from this institution shared their expertise in specific fields with their counterparts from other institutions.

## 7.2.1 Supporting Documents

### Best Practice - 2

#### **Title of the Practice: Cultivating Nationalism**

#### **Objectives of the Practice**

This practice is initiated with the aims of cultivating unity, safeguarding cultural heritage, instilling patriotism, gaining insights into the country's progress, acknowledging the contributions of martyrs and past leaders in India's independence, and upholding democratic values within the college community, among other objectives.

#### **The Context**

While the curriculum covers the concept of nationalism, there is a pressing need to provide the younger generation with a deeper understanding of the nation's rich cultural heritage, its illustrious history, and its standing in global development.

#### **The Practice**

In addition to its academic curriculum, the college actively engages in a diverse range of co-curricular activities as part of its overarching mission. This commitment reaches its zenith as the college endeavors to instill a profound sense of nationalism, aligning with the spirit of the Azadi Ka Amrut Mahotsav.

These co-curricular pursuits are integral to the holistic development of the students. Through a multitude of activities, the college seeks to nurture values and skills that go beyond textbooks, nurturing an unwavering love for the nation in each student's heart. By doing so, it fosters a generation of young

### Best Practice - 2

leaders who are not just academically adept but are also fervently dedicated to the welfare and progress of their nation.

#### **Evidence of Success**

A plethora of diverse programs, spanning motivational speeches, cultural processions, rallies, dances, essay and quiz competitions, and enlightening lectures, were executed with meticulous precision. In perfect harmony with the Azadi ka Amrut Mahotsav, a dynamic Dance Competition enthralled participants from the 12th to the 15th of August in 2022. Moreover, an impressive rally and an engaging quiz competition were artfully orchestrated to mark this momentous occasion.

In addition, the institution played an active role in broadcasting the Integrated Communication and Outreach Programme dedicated to the Azadi Ka Amrit Mahotsav, an initiative spearheaded by the Government of India, Ministry of Information & Broadcasting, and the Central Bureau of Communication. Furthermore, the institute orchestrated motivational speeches aimed at bolstering the morale of students and inspiring them to make substantial contributions to the nation.

These endeavors underscore the institution's steadfast dedication to instilling a profound sense of nationalism within both its students and faculty members.

#### **Problems Encountered and Resources Required**

To achieve a comprehensive implementation of this practice, the involvement of additional student volunteers and teachers is essential. Furthermore, it has become apparent that financial limitations are a result of the absence of external assistance in this matter.
