EVENT: Farewell Programme for Mr. M. A. Sikdar cum Observation of National Science Day

DATE: 28th February, 2019

VENUE: Department of Zoology, BBK College

TIME: 11:00 am to 3:00 pm

Mr. M. A. Sikdar's last day of work was marked by a farewell ceremony conducted by the department of Zoology. Observation of National Science Day was also organized on the very day. The day's event opened with a welcome message by one of our students, followed by a review of the event's schedule from the President. The Principal, Mr. Sikdar, and other guests were also honoured. Mr. Sikdar received a small token of affection from the department of zoology. Students delivered speech on why National Science Day is celebrated every year and why it should be continued to remember the contribution of our Indian Scientist. All of the honours students, as well as a few regular students, actively took part in the event. Inauguration of departmental annual magazine "ZOOLOGICA" was done by Mr. Sidkar Sir. Other department faculties like Mr. Nada Das, Mr. Giridhari Das, Mrs. Sadhana Medhi graced the event with their presence and valuable speech. Sir was remembered fondly by teachers and students, who expressed their regret at his departure. Sikdar Sir, shared his college memories and recollections with the faculty members. A quick tea break was arranged to brighten the atmosphere. Following her remarks, the President finished the programme with a vote of appreciation.
