EVENT: Observation of National Science Day 2021
DATE: 1st March 2021
VENUE: Department of Zoology, BBK College Nagaon
TIME: 11.00 am to 1.30 pm
THEME OF THE YEAR: “Future of STI: Impact on Education Skills and Work”

The Department of Zoology of BBK College celebrated "National Science Day 2021" effectively. More than 60 students from diverse science backgrounds attended and presented speeches alongside lecturers. The main goal of the event celebration was to inspire science students to take a scientific approach to a problem, to learn about science, and to emphasize the importance of higher education in science and research. According to the agenda, Faruque Ahmed, a 5th semester student, assumed the chair and outlined the purpose of the event. The principal of BBK College, Dr. Pradip Das, inaugurated a departmental annual magazine called "Zoologica." Mr. Ghanashyam Nath, Vice-Principal, launched a Departmental wall magazine. Dr. Gopal Kumar Sharma, IQAC Coordinator, Department of Economics, gave a speech as a resource person. Suhana Begum, a Zoology Department student, sang a lovely song. Students from each semester (Zoology Department) gave speeches on science day. A little snack was provided for the current students and all members in the midst of the ceremony. Furthermore, faculty from Zoology and other departments gave informative talks on many facets of science. Dr. Monalisha Deka, Assistant Professor, spoke briefly on behalf of the Department of Zoology. Mrinali Hazarika, HoD of the Department of Zoology, offered a vote of gratitude at the end of the event.
