EVENT: Training Programme on Vermicomposting 2021

DATE: 23rd November 2021

VENUE: Department of Zoology, BBK College Nagaon

TIME: 11.00 am to 1.30 pm

Department of Zoology had organized training programme on vermicompost (Process of decompose organic food waste into a nutrient- rich substance capable of giving vital nutrients and sustaining plant growth) on 23rd November among all students of science. The goal of the training programme was to spread awareness for a better green world by enhancing the practical knowledge towards agricultural sector that might be some career scope on agriculture. More than 100 students were participated on the programme. As per agenda assumption of the chair was taken and objective of the event was explained by Mrinali Hazarika, HOD, Dept of Zoology after that students felicitated the Principal, BBK college and the resource person. Dr. Pradip Das, Principal of BBK College had delivered welcome speech. The resource person Dr. Arup Kr. Deka, Head and senior scientist of Krishi Vigyan Kendra (K.V.K) and Dr. kuldeep Talukdar, a subject matter specialist had conveyed a valuable talk on vermicompost. In the middle of the event a light refreshment was arranged for the present students and all members. Another resource person, Ms. Sabina Ahmed a subject matter specialist provided the training on vermicompost. At last the event was terminated by comments from president with a vote of thanks.
