EVENT: Educational Tour to Bodoland University, Kokrajhar, Assam

DATE: 5th January, 2022

As part of their curriculum, B.Sc. 5th semester (Honours) students were taken on a one-day educational trip at the Department of Biotechnology, Bodoland University on January 5th, 2022. A vehicle was reserved and two departmental faculty members (Mrs. Mrinali Hazarika and Miss Illora Narzary) journeyed and accompanied 18 students. The vehicle left Nagaon, Barpeta at 7:30 a.m. and arrived at the destination at about 11:30 a.m. During the journey, a small snack was arranged to help them gain energy before heading to their destination. After arriving, a group photo was taken outdoors at the university gate for departmental use. Teachers led the students to the Department of Biotechnology. Prof. Jatin Sarmah, the HoD, greeted us and assisted us in obtaining a seat in their department. Prof. Jatin Sarmah offered a quick introduction about their department, the activities they carry out in the lab and provided our students with a basic understanding of bioinformatics and its importance in the area of biology. The departmental scholars sat our students at the computer desk and provided hands-on bioinformatics training as needed. The course was extremely beneficial to our students, allowing them to understand the fundamentals of bioinformatics while also gaining practical experience. We left for Barpeta at 4 p.m. and arrived about 7 p.m. The trip was thus beneficial and successfully completed.
