As part of their curriculum, B.Sc. 6th semester (honours+regular) students were taken on a one-day educational tour to Gauhati University's Department of Zoology. Three departmental staff members (Mrs. Mrinali Hazarika, Dr. Manalisha Deka and Miss Illora Narzary) joined 20 honors and 38 regular students on their excursion. Around 7 a.m., the bus left Nagaon, Barpeta and arrived at the intended destination around 10:30 a.m. Prof. JC Kalita, HoD and Dr. Dandadhar Sarma, Department of Zoology, Gauhati University, greeted us and directed us to their department. HoD provided an overview of the department and the various branches accessible in the department of Zoology. Their scholars covered practicals required for the semester with our students. The students were then led to the Aquaculture Department, where they had the opportunity to explore and learn about aquatic biology and aquaculture. Around 2 p.m., the group traveled to the Regional Science Museum for a tour of the museum and for having lunch.
