VENUE: Department of Zoology, BBK College
TIME: 11:00 am to 2:30 pm

Every year, BBKC students eagerly celebrate Teachers' Day to honour teachers for their contributions to society. This year, students from the Department of Zoology planned a wonderful Teachers' Day celebration on September 5th, 2022. The programme was attended by the esteemed Principal, Vice-Principal, and other departmental faculties. The programme began with a welcome address by one of our student. The Principal delivered an important speech to encourage young people to participate not only in education but also in other curriculum activities. Several students from each semester presented speeches on Teachers' Day. A tea break was scheduled in between the programme to let the pupils continue with comfort. The programme was completed with a comment and vote of gratitude by the President.
