EVENT: Observation of National Science Day in Collaboration with Assam Physical Society and IQAC, BBK

DATE: 28th February, 2022

VENUE: BBK College

TIME: 10:30 am to 4:00 pm

THEME OF THE YEAR: “ Integrated Approach in Science and Technology for Sustainable Future”

In conjunction with the Assam Physical Society and IQAC, the Departments of Zoology and Physics celebrated "National Science Day 2022" at BBK College. Students eagerly engaged in the program, which contributed in the effective commemoration of the occasion. To encourage our students with science backgrounds, a poster and science model display competition was organized. The first, second and third place winners received cash prizes of 2000 INR, 1500 INR and 500 INR, as well as certificates. Mr. Harun Al Rashid, Assistant Professor, Department of Physics, delivered a presentation on Sir CV Raman's background history to help our students comprehend the significance of commemorating National Science Day around the country. Mr. Harun Al Rashid delivered a talk on the year's topic and how science and technology may help create a sustainable future. Every year, teachers and students presented speeches emphasizing the significance of National Science Day. The only purpose of the event celebration was to inspire students to take a scientific approach to a problem, to learn about science and to recognize the importance of higher education. Miss Illora Narzary acknowledged and delivered the vote of appreciation at the end of the event.
