EVENT: Teachers' Day Celebration
DATE: 5th September, 2023
VENUE: Department of Zoology, BBK College
TIME: 11:00 am to 2:30 pm

Every year, BBKC students eagerly celebrate Teachers' Day to honour teachers for their contributions to society. This year, students from the Department of Zoology planned a wonderful Teachers' Day celebration on September 5, 2023. The programme was attended by the esteemed Principal and other departmental faculties. The programme began with a welcome address by one of our students. The meeting's president Dr. Manalisha Deka, assumed the chair and began the agenda followed by felicitation of the president, Principal and other departmental staffs by our students. The Principal conveyed an important speech to encourage young people to participate in activities other than education. Our 5th Semester (Honours) students penned and delivered a poem for the professors. Our 3rd semester (Honours) students sang a song and recounted a narrative about teachers. The students put up a lovely program for their students. A tea break was organized in between the program to allow the students to continue in comfort. The students also organized a modest competition among teachers to illuminate the situation. The President concluded the event with a statement and vote of thanks.
