Report on-
Celebration of International Language Day

Venue: New Hall, BBK College

The Department of Assamese at BBK College celebrated International Language Day on February 21, 2024. The event was attended by students and teachers to commemorate the diversity and richness of languages around the world.

The celebration commenced with an inaugural session where students and faculty members gathered to mark the significance of language in fostering cultural understanding and unity. The atmosphere was charged with excitement and anticipation as everyone looked forward to the engaging activities planned for the day.

The event featured a series of insightful speeches by some faculty members. Rina Das, Giridhari Das, Dr. Gyanada Deka Talukdar, and Dr. Bhabajit Bayan delivered inspiring talks highlighting the importance of preserving and promoting indigenous languages like Assamese while also embracing linguistic diversity on a global scale. Their speeches underscored the role of language in shaping identity, fostering communication, and preserving heritage.

Following the speeches, various interactive sessions were organized to encourage active participation from the attendees. The celebration also provided an opportunity for students and faculty members to engage in meaningful discussions on language-related issues such as language preservation and multilingualism. These discussions facilitated greater awareness and understanding of the challenges and opportunities associated with linguistic diversity.

The event concluded on a high note with a pledge to continue promoting linguistic diversity and cultural understanding within the college and beyond. Participants left the celebration with a renewed appreciation for the power of language to bridge divides and foster mutual respect and cooperation.

Overall, the International Language Day celebration at the Department of Assamese, BBK College was a success. It served as a testament to the college's commitment to promoting linguistic diversity and cultural exchange in the pursuit of knowledge and understanding.
