“ Women Empowerment and Population Control”

A one-day awareness camp was organized in connection to Women’s Day celebration 2024 at Radhakuchi Village, focusing on women empowerment and population control by the Dept. of Education. The camp was attended by a diverse group of participants including students, teachers, community members, and special guests. Dr. Debajit Chaudhury, HoD , Dept. of Education, BBK College presided over the meeting, setting the tone for the discussions ahead. The event began with a warm welcome by Miss Manalisha Tumung, Assistant Professor, Dept. of Education, BBK College who expressed her gratitude for their participation and highlighting the importance of the topics to be discussed.

The main speakers at the camp were resource person Dr. Sadhana Medhi, senior Associate Professor, Dept. of Botany, BBK College and Mrinali Hazarika, senior Associate Professor, Dept. of Zoology, BBK College who shared valuable insights on women empowerment and strategies for effective population control. Their presentations were informative and engaging, sparking meaningful discussions among the attendees.

Miss Mayuree Thakuria, Assistant Professor took the stage to explain the objectives of the camp, highlighting the need for collective action to empower women and address population challenges effectively. Her passionate speech resonated with the audience, inspiring them to take action in their communities. Special guests at the event included Dr. Hiramani Haloi, Miss Anupama Devi, a member of the Women Cell at BBK College. Their presence enriched the discussions, providing unique perspectives and experiences on the issues at hand.
