

Report on-
Awareness and Mock Drill” on Fire Fighting

25/ 03/ 2023

An “**Awareness and Mock Drill**” on Fire Fighting was organized on the 25th of March, 2023 by NCC Unit of BBK College in collaboration with IQAC and Bahari Fire and Emergency Services, Bahari (Barpeta) in the college premises. It was aimed at creating awareness among the students and faculty members on how to prevent and suppress unwanted fires so as to keep the loss of life and property to the minimum before the arrival of Fire Service personnel.

Before the actual drill, Lt. Jakir Hussain, ANO of NCC Unit of the college introduced the Fire service personnel from Bahari F & E Services and felicitated them. Dr. Pradip Das, the principal of the college delivered a short speech on the occasion and expressed his gratitude to the Fire Servicemen for making themselves available for the mock drill. There were around 147 student participants including the faculty members and NCC cadets of BBK College NCC Unit. The session started at 11.30 am with an inaugural speech by ANO LT. Jakir Hussain followed by a speech by the Principal of BBK College. Mr. Bhumidhar Kalita, Sub-Inspector of Fire and Emergency Service Station, Barpeta gave a short speech. Jiten Das, Fireman delivered a lecture at length highlighting the different categories of fire-catch and also the prevention measures. He mainly emphasized on the ways of fighting out a fire starting from the first step of passing information to the Emergency Department (108). He, with the help of the rest of the members then demonstrated the use of different type of Fire Extinguishers. Faculty members and students asked various questions regarding firefighting to which Mr. Das explained in detail. The students were given first hand training on how to carry an injured person singlehandedly and on a makeshift stretcher. He also showed how to extinguish fires in gas cylinders followed by hands on training of students and faculty members. He further gave information on how to save a person from drowning and also how to perform Cardiopulmonary Resuscitation (CPR).

The programme came to an end with a live demonstration by the firefighters on putting out fires caught by oil using foam. The also demonstrated using hose pipes to spray water from their water carrier.

Resource Persons:

SI No	Name	Designation
1.	Bhumidhar Kalita	Sub-Inspector (SI)
2.	Debananda Deka	Fireman (FM)
3.	Brajen Das	Emergency Rescuer (ER)
4.	Jiten Das	Fire-man (FM)
5.	Tiken Medhi	Emergency Rescuer (ER)
6.	Anupam Das	Emergency Rescuer (ER)
