Report on-
Guaedian Meeting, 2023

05/ 10/ 2023

On 05-10-2023, the Internal Quality Assurance Cell of the college at BBK College organized a Guardian Meet with Teachers and students . The Guardian Meet was held in the New Hall of the college.

The objective of the Guardian Meet was to discuss the performance of the students and to chalk out the ways to improve their performance.

The Guardian Meet started at 1:30 PM with an opening address by the Principal Dr. Pradip Das. He welcomed all the guardians and highlighted the importance of such guardian meet in promoting academic excellence.

The Academic Coordinator of the college Mr. Aminur Rahman, Associate Professor, Deptt. Of English explained the objective of the meeting and requests the guardian as well as students to share the problems of the students with the teachers and to come out with suggestion they deem necessary for enhancing the quality of teaching-learning process in the college.

At first, the students expressed their views on teaching-learning process and the problems that they have in certain subjects. They expressed that they are satisfied with the overall academic atmosphere of the college.

The guardians acknowledged the quality initiative by the IQAC and the teaching by the teachers. They specially praised the mentoring system in the college. They also shared their problems with their ward at home and the hours of study.

The teachers dwelt at length on performance of the students and requested the parents to be in constant touch with teachers to know the progress of the students. They urged the parents to ensure that the students attend the college regularly.
