**World Literacy Day, 2022**

World Literacy Day, 2022 was celebrated in BBK College on the 8th of September, 2022 in New Hall among students and teachers under the theme, “Transforming Literacy Learning Spaces.” the resource person on the occasion was Ridip Lahkar, the Librarian of the college.

The programme started with an introductory speech by Dr. Pradip Das, the principal of the college where he emphasized on the importance of literacy learning spaces that ensures equitable and inclusive education for all.

Ridip Lahkar delivered the keynote speech where he spoke about different types of literacy, such as computer literacy, financial literacy, and political literacy. He also explained that literacy is not just about being able to read and write, but also about having the skills and knowledge to understand and participate in the activities around us. He spoke about the importance of computer literacy in the digital age, financial literacy to manage one's finances effectively, and political literacy to be an informed citizen. He emphasized on ICT literacy and internet security that is of utmost need to stay safe while surfing the web. It also involves protecting our systems from unauthorized access or attacks that can harm your data or network.

Dr. Ranjit Sabhapandit, the vice Principal of the college and Nripendranath Das, the head of the Department of Chemistry also delivered speeches on the occasion. They both spoke about the importance of literacy in today's world and the need to promote it among all sections of society.

Dr. Sabhapandit spoke about the role of literacy in promoting social and economic development. He said that literacy is essential for people to be able to access jobs, healthcare, and other essential services.

Nripendranath Das spoke about the importance of literacy in preserving culture and heritage. He said that literacy is essential for people to be able to read and understand their own culture and heritage, as well as the culture and heritage of others.

The event concluded with a vote of thanks by the Dr. Gopal Kumar Sarma, the co-ordinator of IQAC of BBK College. He thanked the resource person and the speakers for their thought-provoking talks. He also thanked the students and staff for their participation in the event.

The event was a great success and it helped to raise awareness about the importance of literacy among students and teachers. It also provided the participants with an opportunity to learn about different types of literacy and their importance in today's world for an equitable and inclusive education for all.
