Report on-
ICT Training to Teachers

Today, the 4th of April, 2023 a training session on the use of Mobile Projector (KYAN) was organized for the faculty members by the IQAC of the college in Hall 2 at 3 pm. The main objective of the session was to train faculty members on the use of the Mobile Projector (KYAN) for class presentations. This was aimed at making teaching learning process more engaging and effective.

The trainer on the occasion was Dr. Bhupen Rabha, Assistant Coordinator of IQAC. The participants were Introduced to the Mobile Projector (KYAN) that can be used in all the classrooms of the college as plugs were in place for its use. The features of the Mobile Projector (KYAN) were discussed in detail. Dr. Rabha gave a demonstration from the process of the installation and the teachers were also given hands on training on how to use the projector.

The session was a great success! The faculty members were able to learn how to use the KYAN mobile projector, and they were able to use it in a variety of ways. They were able to use the KYAN for presentations and film screening.

The training session was a valuable learning experience for the faculty members. The faculty members are now able to use the KYAN to enhance their teaching and learning.
