### Session Outcomes

The Participative Learning session proved to be a valuable learning experience for BBK College students. Participants gained a deeper understanding of the concept of participative learning and its role in enhancing their academic success. They also developed essential communication skills, including active listening, effective speaking, and collaborative teamwork. The session contributed to a more engaging and interactive classroom environment, fostering a sense of community and promoting student engagement in the learning process.

The session ended with a positive note that more such sessions would be conducted in future for a better learning experience among the students.
