Awareness Programme on Covid-19

Introduction:

The World Health Organization (WHO) on March 11, 2020, had declared the novel Corona virus (COVID-19) outbreak a global pandemic and the whole world was alarmed. Normal life was disrupted and people all over the world were alarmed. The only way to stay protected was to take precautionary measures to prevent being infected. The Disaster Management issued notifications and orders from time to time regarding the steps to be taken. However, it took time for the general public to get used to the measures. In this regard, the institution took initiative through its NCC unit to sensitize the general mass about the symptoms of covid-19 and also the procedures to be maintained to avoid being infected. Banner highlighting the symptoms and the SOPs was displayed and leaflets with the same message were distributed among anyone who came across.

Objective of the event :

- a) To enlighten the local people about covid-19
- b) To make people aware about the symptoms of covid-19
- c) To sensitize people about the procedures to be maintained to avoid being infected.

Date of the event : 23rd March, 2020

Venue : Nagaon Bazar

Schedule of the event :

- a) March to Nagaon Bazar from BBK College (1.5 Kms)
- b) Distribution of leaflets among the passersby, both pedestrians and people passing in vehicles.
- c) March back to the campus

Total number of participants : 1 ANO and 12 Cadets

Organizer of the event : NCC, BBK College Unit

Outcome of the event : The local populace was more enlightened about the symptoms of covid-19 as well as about covid-protocol to be maintained.
