Report on-
Inauguration of BBK College App

On 16th May 2024, BBK College organized an inaugural session for its newly developed college app, an initiative aimed at enhancing ease of access and streamlining the maintenance of online attendance records via mobile phones. This forward-thinking project underscores BBK College's commitment to leveraging technology to improve administrative efficiency and educational experience. The inaugural session was led by Mr. Nabarun Misra, the proprietor of SS Technology, who played a pivotal role in the development of the college app.

The session commenced with a detailed introduction to the app's features and capabilities. Mr. Misra provided an overview of how the app can be used to record and monitor attendance efficiently. The app's user-friendly interface was designed to facilitate easy adoption by the faculty members, ensuring seamless integration into the college's daily operations. Following the introductory presentation, a training session was conducted to impart essential skills to the teachers, enabling them to effectively utilize the app. Mr. Misra guided the participants through a step-by-step demonstration, highlighting key functionalities such as logging attendance, generating reports, and accessing student data. The hands-on training ensured that the teachers were well-equipped to make the most of this technological advancement.

The event also featured a question-and-answer session, providing an opportunity for teachers to seek clarification and address any concerns they had regarding the app's usage. Various questions were raised, ranging from technical aspects to practical application scenarios. Mr. Misra responded to each query with detailed explanations, ensuring that all participants felt confident in using the app. The successful inauguration and training session of the BBK College app mark a significant milestone in the institution's journey towards digital transformation.

By adopting this innovative solution, BBK College aims to enhance administrative efficiency, reduce paperwork, and provide a more organized and accessible system for managing attendance records. In conclusion, the inauguration session of the BBK College app was a well-organized and informative event, highlighting the college's commitment to embracing technology for the betterment of its administrative processes. The active participation and engagement of the teachers, coupled with the expert guidance of Mr. Nabarun Misra, ensured the event's success. This initiative is expected to bring about a positive change in the way attendance records are maintained, setting a new standard for technological integration in educational institutions.
