Message from the President of the Governing Body

“Education is not preparation for life; education is life itself.”- John Dewey

It is an honour and a privilege to be the President of the Governing Body of Baosi Banikanta Kakati College, a prestigious seat of higher education catering to the needs of students of diverse cultures in the far flung area of Baosi.

The college seeks to empower each student with the flair and fervour to learn sincerely and apply the knowledge creatively to emerge as torch bearers for the good of the society. It provides a vibrant, stimulating and richly diverse environment that enables the staff and students to reach their full potential. Situated in serene surroundings away from the cacophony of the traffic and humdrum of people, the college has an ideal environment for studies.

The Institution constantly strives with a disciplined zeal, pooling all intellectual and physical resources, to widen the horizon of its educational activities and deepen the profundity of its involvement. The management is highly supportive of the overall development of the students and faculty and takes keen interest and stands behind any such endeavour. Our Teachers are committed and dedicated to the development of the institution. In addition to imparting knowledge they play the role of a mentor and facilitator to our students. The untiring efforts of the faculty members and the hard work of the students has been leading to better results each year. Our aspirations to expand our horizon to PG courses has recently been realised with the opening of PG in Assamese. We have further plans to introduce vocational courses to enhance the skills of students.

I do suggest all the faculty members to set formidable goals and relentlessly strive to perceive and maintain academic excellence and work towards nurturing creativity, passion, resilience and leadership qualities among students and at the same time to encourage the students to participate in various co-curricular and extra-curricular activities, thus creating versatile personality. I further hope the faculty members employ their full potential towards fulfilling the vision of the college, ie., “To uplift knowledge, skill and morals of young generation for an equitable and advanced society.”

I also wish all the students seeking to be a part of this college a winsome and a memorable experience.

Dr. Uttam Ch. Pathak
President,
Governing Body

Message from the Principal

A COMMITMENT TOWARDS ACADEMIC EXCELLENCE

A college is a building that has four walls with the future inside. BBK College has been playing a pivotal role in changing the society through all round enrichment of students, be it in academic pursuits, co-curricular activities, discipline, manner and character. Its door is open to all, irrespective of caste and creed, colour and community rich and poor. Over the last long 49 years of its proud existence, the college has served as a hub of academic and intellectual pursuits by accomodating innovative measures to meet the need of the students in the changing time. With the broadening of the area of higher education colleges have been called upon to adapt and evolve. In response to the same, BBK College has introduced courses that are of contemporary relevance to the stake holders. From 2020-21 session, MA in Assamese has been introduced with limited faculty members for the benefit of the students. It has planned to open more PG Courses in coming years. For unabated teaching-learning process in this Covid 19 pandemic situation, the college has developed a dedicated website and we hope that the students will take full advantage of this for their benefits.

This year (2021), the college is celebrating its Golden Jubilee. We sincerely hope that its all stakeholders will come out with enthusiasm for successful celebration of the Jubilee and strive for turning the institution into an excellent one.

Baosi Banikanta Kakati College - A Profile

Baosi Banikanta Kakati College was established at Nagaon of greater Baosi locality on 25th July, 1971. This college came into existence as a result of the indefatigable effort of Late Mahendra Mohan Choudhury, a noted freedom fighter, former Chief Minister of Assam and former Governor of Punjab. Baosi was once a seat of diverse cultural and religious activities of Vaishnavite Preacher Mahapurush Srimanta Shankardeva and his disciple Mahapurush Madhabdeva along with Damodardev and Haridev. Then in the late 19th century, Baosi was endowed with a worthy son of Assam, Dr. Banikanta Kakati, was born at Batikuriha village of the Baosi area. Dr. Kakati was a great scholar, linguist, literary critic and academician of great repute. Thus, the name of the college Baosi Banikanta is conflation of 'Baosi' and 'Banikanta Kakati' - this historic place and the renowned person, to carry forward in its entirety, the past flare and present excellence.

Baosi Banikanta Kakati College is ideally nestled amidst the lush green paddy fields and sylvan serenity, 12 kilometres away from the din and bustle of the urban atmosphere of Barpeta town, thus the college confirms to the ancient Indian concept of "Gurukulashram". As this is essentially a rural college, the academic needs of the local populace is given utmost importance. A healthy academic environment is the hallmark of Baosi Banikanta Kakati College. Since the inception, the college has been able to keep intact the attraction of the youths as a preferred destination of higher education in lower Assam. In this way the college, having the special focus on relevant present day educational drives along with the emphasis on all round development of the students has successfully traversed long 49 years making momentous contribution to human resource development and social transformation. 2021 is its Golden Jubilee year - a year to celebrate its proud and eventful existence.

Today, the college caters to the educational needs of approximately one thousand and eight hundred students in the faculties of Arts, Science and Computer Application in the Higher Secondary and the Undergraduate courses. In spite of having various hardships and limitations, effective and relevant steps have been taken with a view to shape the institution into a centre of quality and excellence. It is such an endeavour for which the college has been rewarded with B⁺⁺ grade (2nd Cycle) by the NAAC peer team. The academic excellence of the college, reaches its zenith when Ms. Gitika Talukdar stood first in H.S. Final Examination (Arts) in 2010 and Ms. Kangkana Talukdar secured 9th position in the same examination in 2012. In B.A. & B.Sc. courses also as many as 247 students secured first class till 2017 and many are pursuing higher studies in various universities across India.

To reach out to students belonging to BPL families, SC, ST and Minority communities and remote areas, the college authority has arranged for stipends, thus paying special attention not only to the socio-economic conditions but also to the welfare of the student community, their intellectual and academic development. The two separate RCC Hostels for boys and girls with homely environment and spacious library with modern amenities also play significant role in augmenting the academic excellence. The college understands its accountability and responsibility to the society and therefore, to lay more meaningful role towards excellence, the motto "SEARCH FOR TALENT AND ITS NURTURING" has been adopted.

Vision :

To uplift knowledge, skill, and morals of young generation for an equitable and advanced society.

Mission :

- To achieve excellence in higher education by incorporating new inputs and new techniques.
- To impart skill based and career oriented knowledge and education.
- To promote physical, cultural and moral development of the students.
- To work for inclusive education and especially for participation of women and backward rural communities in higher education.
