Baosi Banikanta Kakati College - A Profile

Baosi Banikanta Kakati College was established at Nagaon of greater Baosi locality on 25th July, 1971. This college came into existence as a result of the indefatigable effort of Late Mahendra Mohan Choudhury, a noted freedom fighter, former Chief Minister of Assam and former Governor of Punjab. Baosi was once a seat of diverse cultural and religious activities of Vaishnavite preacher Mahapurush Srimanta Shankardeva and his disciples Mahapurush Madhavdeva, Damodardeva and Harideva. Then in the late 19th century, Baosi was endowed with a worthy son of Assam Dr. Banikanta Kakati who was born at Batikuriha village of Baosi area. Dr. Kakati was a great scholar, linguist, literary critic and academician of repute. Thus, the name of the college Baosi Banikanta Kakati is conflation of “Baosi” and “Banikanta Kakati”- the historic place and the renowned person, to carry forward in its entirety, the past flare and present excellence.

Baosi Banikanta Kakati College is nestled amidst lush green paddy fields and sylvan serenity, 12 kms away from the din and bustle of the urban atmosphere of Barpeta town, and thus the college conforms to the ancient concept of Gurukulashram. Being basically a rural college, the academic needs of the local populace is given utmost importance. A healthy academic environment is the hallmark of this college. Since the inception, the college has been able to draw the attraction of the youth as a preferred destination of higher education in lower Assam.

Today, the college caters to the educational needs of over 1800 students in the faculties of Arts, Science and Computer science at the Higher Secondary, Under Graduate and Post Graduate level. In spite of having various hardship and limitations, effective and relevant steps have been taken for incorporating new inputs and techniques for ensuring quality education in rural setting. The problem of traditional mode of teaching-learning in COVID-19 pandemic situation has been addressed with online mode of education by developing permanent learner centric online interface. Moreover, outreach programmes and extension activities are undertaken for inclusive education and holistic development of students for an equitable society. The college has also incorporated some skill oriented courses. Because of our innovative and concerted efforts towards achieving excellence in curricular and co-curricular fields, the college has been able to imprint its name in the field of higher education in Assam. The academic excellence of the college reached its pinnacle when one of the students bagged 1st rank at H.S. level in 2010 followed by 9th rank in 2012. The same trend of excellence is also reflected at U.G. level where a sizeable number of students secure first class apart from achieving University ranks in different subjects. Equally, the college also emphasizes on imparting value based education with a view to instilling in them the sense of morality and humanity, so that they do not degenerate into knowledge machine but become a responsible citizen. It is because of such endeavours the college has been awarded with B++ grade by NAAC.

To reach out to students belonging to BPL family and SC, ST, OBC and minority communities, the college authority has arranged for stipend, thus paying special attention not only to the socio-economic conditions but also to the welfare of the student community, their intellectual, academic and moral development. The two separate RCC hostels for Boys and Girls with homely environment also play significant role in augmenting academic excellence. The college understands its accountability and responsibility to the society and to play more meaningful role, the motto “SEARCH FOR TALENT AND ITS NURTURING” has been adopted.

The college, having the special focus on relevant present day educational drives along with emphasis on all round development of the students has successfully traversed long 50 years making momentous contribution to human resource development and social transformation. The year 2021-22 is the Golden Jubilee Year - a year to celebrate its proud and eventful existence.

Vision :

To uplift knowledge, skill, and morals of young generation for an equitable and advanced society.

Mission :

To achieve excellence in higher education by incorporating new inputs and new techniques.

To impart skill based and career oriented knowledge and education.

To promote physical, cultural and moral development of the students.

To work for inclusive education and especially for participation of women and backward rural communities in higher education.
